4 Easy Ways to Build Your Emergency Fund

This free tip sheet was produced by the Cheapskates Club – www.cheapskates.com.au

An emergency fund can help you and your family to avoid debt and other challenges during a difficult time. However, it can also be difficult to put aside the money and save it until you really need it.

Try these easy ways to build your emergency fund:

Start with a small emergency fund.

Experts recommend making a fund of at least \$1000 at first.

Increase your fund with automatic transfers.

Set up automatic transfers from your paycheck to a

Gather up all of your loose change at the end of the day and deposit it to the

Set aside your tax refund.

Instead of spending it, you can use your tax refund to build your emergency

Emergency funds are crucial for financial safety and health.
