

# Pay Day Bill Payment Planning Sheet

This helps you sort your bills out by payday so you have approximately the same amount of money coming out on each payday. Each sheet covers one month. If you are paid weekly, fill out the details for each week. If you are paid fortnightly or monthly do the same thing so that you can see what you need to pay at a glance.

Month \_\_\_\_\_

Total Income Week 1 \$		Total Income Week 2 \$	
Bill	Amount	Bill	Amount
<b>Total</b>		<b>Total</b>	

Total Income Week 3 \$		Total Income Week 4 \$	
Bill	Amount	Bill	Amount
<b>Total</b>		<b>Total</b>
