

## Towel Topper

Cut out pattern. Using pattern cut two pieces of fabric for topper. Mark buttonhole. Place both pieces of fabric right sides together. Using a 6mm seam and starting at the bottom left side of the topper stitch around the edge, finishing at the bottom right side and leaving the bottom edges open. Turn topper right side out, clipping curves if necessary. Press. Turn bottom edge under 6mm to form hem. Press. Place topper over raw edge of towel, gathering towel to fit if necessary and matching edge of towel with inside edge of topper hem. Pin. Stitch through all thicknesses, close to bottom edge of topper, being sure to catch raw edge of towel. Make buttonhole. Sew on button.
